Nav / Strobe

**World's Easiest
to Install**

**Revolutionary
ADS-B Solutions**

Meet the 2020 ADS-B Out Mandate by simply upgrading your aircraft nav light with skyBeacon or tailBeacon. Works with **any** existing Mode C or Mode S Transponder, unlike the competition.

* TSO Certification pending on tailBeacon and skyLight.

**Certified ADS-B Out
On Your Wingtip**

Starting @
\$1849
